2nd Joint Call between the National Science Foundation, Sri Lanka and the Pakistan Science Foundation (PSF)

Guidance to Sri Lankan researchers to identify befitting Pakistani Researchers for collaborations

*How to identify a suitable researcher from Pakistan to submit a
joint proposal for the 2nd joint call for collaborative research
project proposals between NSF and PSF?*

Search the database of researchers of Pakistan Science Foundation (PSF) through its
Research Grant Management System (RGMS):

PSF RGMS Database:

<https://rgms.psf.gov.pk/rgms/scientists-data.aspx>

Identify the befitting researchers

Communicate with them directly

Accordingly, initiate preparation of an international collaborative research project proposal.
